CLUB DETAILS

In 1927 the land currently used by the Club was set aside as a reserve in a new sub-division. The Club has operated from that site since then and has steadily built up resources for its members until the present day when it is proud to be the largest club in the Wellington/Hutt Valley Region.

The Club has 10 courts recently renewed in both synthetic grass and Plexipave surfaces of which 8 are floodlit courts.

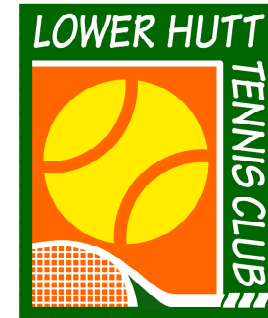

A large car park makes parking easy.

With over 350 members the Club caters for both Junior and Senior members and for all abilities. Some of our members have represented New Zealand.

Interclub is available for those looking for a little more competition and teams are entered in both Wellington Regional and Hutt Valley competitions for midweek and weekend play.

Night leagues operate all year and with up to 15 teams sees more than 50 members at the Club each Wednesday evening.
